

# Preparing You Now for the Classroom Tomorrow

Watermark™ empowers our School of Ed with data and resources that help us improve the quality of our program and ensure you have the knowledge and skills you need to be successful in the classroom.

You can build custom portfolios in Watermark and manage activities throughout your teacher candidacy:

- ▶ Showcase your academic achievements
- ▶ Document field experiences and observations
- ▶ Create lesson plans and assignments
- ▶ Prepare for performance-based assessments
- ▶ Organize key documents for certification

What will you build with Watermark?
